2 Georgia Bureau of Investigation, so as to establish the Georgia Methamphetamine Offender

17 laboratories pose a significant threat to the citizens of this state due to the lethal  
18 environmental hazard posed by the unregulated and illegal use of harmful chemicals  
19 involved in the unlawful production of methamphetamine. This article is a remedial law  
20 and shall be liberally construed to promote the public health, safety, and welfare.

17 conviction pursuant to Article 3 of Chapter 8 of Title 42, relating to first offenders, shall

26 trafficking of methamphetamine.

27 (b) The registry shall be maintained by the bureau and made available for public inquiry  
28 and review on the Internet.

29 (c) The registry entry for each person shall include: the person's name, including any

35 shall not include the person's social security or driver's license numbers.

(d) Any person convicted of an offense listed in subsection (a) of this Code section on or after July 1, 2006, and any person so convicted before July 1, 2006, who is released from prison or placed on parole, supervised release, or probation on or after July 1, 2006, shall be listed as an offender on the registry.

(e) For each offender required to register under this Code section, the appropriate official shall forward to the bureau a copy of the judgment of conviction and information relevant to the conviction which shall include the date of birth and any further information relevant to the conviction as determined by the bureau. Where an offender has more than one offense requiring registration, a copy of the conviction and other relevant information shall be sent for each such offense.
